Edu-Curator Foundation (ECF)

Soon after the establishment of the ECF, Its operational and financial responsibilities were handed over to me. Edu-Curator Foundation is an organization with the sole reasons & responsibility to help and serve mankind.

Not Like other NGO's/Welfare Organizations that belong to an individual, group, community or region. ECF belongs to all those who are connected in this circuit of serving or being served through the platform of Edu-Curator Foundation.

Slogan of the Edu-Curator Foundation:

"Edu-Curator Foundation believes in an educated, healthy and economically stable community."

Originating from Pakistan Inshaa Allah we will serve each and every community round the globe and will show that humanity is superior to all sects, castes and religions.

We as nation are individually and collectively responsible for the Educational Development and Economic Growth of Pakistan.

Vision of the Edu-Curator Foundation:

"To impart formal education through modern techniques, develop the ultimate professionals, make out entrepreneurs of the talented graduates, ensure physical and mental health, create awareness about the welfare of public in every mind, make community free from poverty and economically grown."

Edu-Curator Foundation has initiated several programs and is hopeful.

Prospective Programs are:

- 1) In Education sector it's a factum that literacy rate is increasing day by day. While the employment ratio is decreasing day by day. Major reforms are needed in this sector. Edu-Curator Foundation took the initial step and started a comprehensive Program for Grass Reforms in the education sector through "Edu-Curator Foundation School System". We have planned of building and development more than 100 schools in the far and flung rural backward areas of Pakistan with budgeted cost of USD 10,000,000 (approx. PKR 1,050,000,000).

- 2) Keeping in view about the development of the economic sector we are thinking about major reforms in this sector and planning some Entrepreneurships developments and poverty alleviation programs. Initially we are starting "Entrepreneurship Development Program" with budgeted cost of USD 133,000 (approx. PKR 13,965,000).

We are hopeful for the co-operation from Local, National, International Communities and Organizations.

Together we can, together we will.
